

Artisan Electric

Standardized Rate Sheet 2013

- One man service call rate: Billing rate for the 1st (1) hour is an \$80.00 flat rate, with a rate of \$65.00 for each additional hour
- Billing is figured in ½ hour increments and rounded up to the ½ hour
- Standard billing rate for (1) Journeyman Electrician is \$65.00 per unit hour
- Bill rate for (2) Journeyman Electricians is \$100.00 per unit hour
- Labor for service work is billed to include travel time to and from the job (port to port)
- Billing rate for after hours work is per unit hour at time and ½ (\$97.50)
- Billing rate for Sundays and holidays work per unit hour at double time (\$130.00)
- We DO NOT collect sales tax – sales tax is paid to our vendors
- We charge a 8.50 fuel sir charge on every call in town (Lafayette / West Lafayette)
- We charge a \$12.00 fuel sir charge on calls out of town but in Tippecanoe County. This would apply to jobs that are more than 15 miles one way from the shop
- We charge a \$18.00 fuel charge on calls that are outside of Tippecanoe County, but in an adjoining county
- Material is to be billed at cost – we do not mark up material to clients and will provide full discloser on all job cost upon request
- We try to collect on all work at completion unless it is contract work or an established client with a billing agreement
- Parts run fees for in town work are charged at \$10.00 for the run
- Parts run fees for out of town work are charged at \$20.00 per run. This would be on jobs that are more than 15 miles one way from job to supplier
- Primary payment method is by check. We will also agree to credit card payments via PayPal for commercial clients, repeat clients, or jobs over \$100.00 in total value
